OFF ICE TRAINING (From Jane Wiseman)

I am thrilled with the turnout for off ice training this year! I'm averaging 15 participants at the intermediate level and 7 participants at the senior level. The girls always come with enthusiasm and put forth a great effort in all our activities. Each week I use games and drills to work on building cardiovascular and muscular endurance, balance, coordination and flexibility. They are such a pleasure to instruct!

Please remember to send your child with her running shoes now that boot season is upon us. Stockings are great when hung by the fire but not so great for off ice activities. The floor upstairs can be very slippery in stocking feet and safety is always a priority.

Please feel free to approach me with any questions or concerns you may have. I am upstairs on Monday's from 4:15 until 6pm or you can email me at janew63@sympatico.ca.
