SKATING CANCELLED - ALL SESSIONS

Test Day for STARskate Skaters	Tuesday, February 8th
Family Day	Monday, February 21
Hockey Tournament	Friday, Feb 25 th and Sat, Feb 26 th

Welcome Back and Happy New Year !

We are off to a great start with lots of new skaters! Over 400 registrants; an increase of 25% over last year. We were able to accommodate more skaters due to our increased ice availability and new programs. Still spots in Powerskating and Saturday PreCanskate.

STARskate Skaters: Test Day

Our second test day for Junior, Intermediate and Senior skaters is scheduled for Tuesday, Feb. 8th. All skating sessions are cancelled on that day. Good Luck skaters!

Holiday Celebrations

On Dec. 17th, our Junior, Intermediate and Senior skaters hosted a "Bring A Friend" night. Timbits and Hot chocolate helped make it a festive occasion.

On Dec. 18th, we celebrated a Stouffville Skating club tradition with a Family Skate for PreCan, Canskate and Powerskaters. We had a great turn out and had a visit from Santa himself. It was wonderful to see all the skaters and their families enjoying themselves. A big thanks to Tim Hortons and the Mayor's Youth Fund for their contributions. Thank you to all the volunteers, coaches and especially Bernie Anscheutz and his helpers. Thanks to all the families who donated toys for the Lions Club Christmas Toy Drive.

Santa Claus Parade

Some of our skaters and parents walked in the Parade on Dec. 4th. Everyone who participated enjoyed themselves in spite of the cold weather. A big thank you to Lynda Khanna, and Bob Butler and his family from Butler Disposal for the use of his horses and wagon. See our pictures on our website.

Funkskate

For three weeks in December Stouffville Minor Hockey and the Stouffville Skating Club teamed up to offer youngsters in the Community who may never have tried ice skating an opportunity to do so. Skates and helmets were donated for these sessions for those who did not have their own and many in the community took advantage of this opportunity to try skating. The sessions were a great success and thanks go to the many volunteers, parents and skaters, from the club who helped out during these sessions. Special thanks go to Anita, Carla and Vicki.

Next Executive Meeting

Our next Executive meeting is February 15th at 7PM in the Boardroom. These meetings are open to all members. If you are interested in getting involved, please join us!
