STOUFFVILLE SKATING CLUB
PROGRAM ASSISTANTS

Program Assistants (also known as Junior Coaches) are **vital** to running the CanSkate and PreCanSkate programs at our club. Junior, Intermediate and Senior skaters who are age 9 and older are invited to participate. This year we will be running a program assistant clinic to clarify what the assistants are to do on the CanSkate and PreCanSkate sessions.

Our clinic will run on Thursday, September 17th, 2009, from 5:30 to 6:30 p.m.. There will be pizza and drinks supplied for those skaters who attend, following the on-ice clinic.

Please bring along the bottom portion of this form signed and, if possible, indicate what session (s) you might be interested in assisting with. Some skaters prefer to help on an every other month basis. Please let us know if you are interested in this option. Many skaters are needed in the first few weeks of the season and all help is greatly appreciated.
