### Newsletters

Our monthly newsletters are very important because they will keep you informed on what is happening at the club in the months ahead. The newsletter is our way of communicating if there are any cancellations, ice time changes or special events etc. that occur. We send our newsletter

via e-mail, so please make sure we have your e-mail address on file. If you don't have e-mail a copy of the newsletter will be posted outside the office and on the board outside the warm room on Pad A.

### Battle of the Blades

Battle of the Blades is a new reality based competitive skating show set to air on CBC television Sunday and Monday nights. Watch and support your favourite skaters!
