

Stouffville Skating Club is proud to present

2008 SKATER'S CHOICE AWARDS

We are getting down to the final details of planning this year's ice show. The theme this year is an awards show. Complete with costumes and lights our skaters will be honoring their favorites from television shows, to musicals to theater.

Attached is your casting placement and practice schedule. Please read the schedule very carefully. Practices start Thursday, April 10th and run through until Friday, May 1st. Since rehearsal time is short it is imperative that all rehearsals be attended. If you are unable to attend a practice please notify your coach ahead of time.

Pictures: Group and individual pictures, in costume will be taken during dress rehearsal on Thursday, May 8th. Pictures will be available for purchase during the shows. These photos are professionally taken by Thom Hayim Photography.

Video: Our show will be professionally video-taped by Jim Rowsell. Orders will be taken during all performances.

Costumes: Costume pick up will be on Tuesday, May 6th during production rehearsal. Our final newsletter will give more information on costumes.

Tickets: Tickets will be available for purchase in the lobby beginning April 29th during all Ice Show rehearsals. Tickets are \$10.00 for adults and \$5.00 for seniors and children under twelve. If you have any questions regarding tickets please call Denise MacPherson @ 905-640-4024.

DRESSING ROOM VOLUNTEERS

We are in need of many volunteers to supervise the dressing rooms during show week and on the actual shows. If you have already signed up to be a dressing room parent, you will be notified in April as to when we need you. If you can volunteer to do even one night in the dressing room, we would greatly appreciate it. All of the children are supervised when they are not on the ice during the show week and actual shows. Please call or email Chris Berry at 905-640-2106 or cberry@pbsbulk.com if you wish to volunteer.

QUESTIONS???

If you have any questions, please do not hesitate to call or email us.
